Docket No.: E-01345A-13-0069

Ladies & Gentlemen:

Allowing Arizona Public Service to charge a flat fee to opt out of their smart metering devices is not right. In light of the evidence that the smart meters emit harmful radiation, there is no way I can allow one to be installed on my home.

Please do not allow APS to charge me for opting out.

Thanks for your immediate consideration of this problem.

Very truly yours,

W. Eugene Chandler
